

SALIDA SCHOOL DISTRICT R-32-J

Developing World Class Citizens

New Salida High School

Open House and Public Tours to Review Construction Progress

April 5, 2012, 4:00pm until 6:00 pm

Starting at the Existing Salida HS Cafeteria

The Salida School District R32-J will be hosting an Open House to show the community the progress made in the construction of the New Salida High School building and answer any questions about the project. A lot of hard work has been completed since the election in November 2010, and with less than five months before the start of the 2012-13 school year, the District is excited to show the community what we have been working on!

The Open House and Tours will begin at the existing Salida High School cafeteria where we will divide up into groups for the project site tours. Representatives of the project team will be at the Open House to answer questions about the project design, schedule, features, budget, sustainability features, local participation, or anything else that you may want to know about this exciting project.

The Open House will begin at 4:00 pm, Thursday, April 5, 2012, and run thru 6:00 pm. Your safety is important to us, so please remember that we will be walking an active construction site and that appropriate shoes (no sandals) will be required to participate in the tours.
