

BOYS & GIRLS CLUBS
OF CHAFFEE COUNTY

A Program for Middle School Students Who Want to Advance Their Math Skills

WHAT KIDS IN THE PROGRAM LAST YEAR SAID:

“Before I started the program, I didn't like math. Now, I love it!”
— Tyra

“It really helps me. I'm already very good at math, but Khan helps me learn and do more math, and makes it more exciting!”
—Kathryn

WHAT:

The program uses the Khan Academy* software, a highly successful and widely used on-line learning system, combined with active hands-on instruction guided by coaches, practical “real world” problem solving, and active games that make math fun to learn!

FOR WHOM:

Focused on 6th graders but also useful for 5th graders who are advanced or 7th graders who may need some extra help.

WHEN:

Each Friday (that the Salida Middle School is not in session) for 8 weeks from 9:00-10:30 am beginning February 1 through March 29. A second 8 week program begins April 5 through May 24.

WHERE:

Salida Boys & Girls Club Tech Center, 340 E. 5th Street, Salida.

COST:

The regular \$10 fee for club members for Friday mornings will be reduced by 50% for this program if paid in advance for the 8 week session (\$40). Fee waivers are available for families unable to afford the fee.

COACHES:

Community volunteers, most with advanced degrees and previous teaching experience work individually with the participants

TO REGISTER:

Complete the attached form and return it to Tammy Cannedy at the Boys and Girls Club by January 25. Registration will be limited to a maximum of 15 students.

FOR MORE INFORMATION:

Contact Scott Hughes at the Boys and Girls Club, 539-9500 or Irv Broudy, volunteer coordinator of the program, 221-3586.

* All Kahn Academy content is available free at www.khanacademy.org.

**BOYS & GIRLS CLUBS
OF CHAFFEE COUNTY**

Boys and Girls Club of Chaffee County, Salida Club Khan Academy Math Program Registration Form

SESSION: #1: Eight week program beginning Feb. 1, 2013
Registration Deadline: January 25

SESSION: #2: Eight week program beginning April 5, 2013
Registration Deadline March 29

Name of Student _____ Boy Girl

Grade in School _____ Math Teacher _____

Parent/Guardian _____

Parent/Guardian Phone _____ Email _____

Do you have a computer at home? Yes No

Do you have Internet access? Yes No

Does the student have an email address or a Facebook account? Yes No

What do you and the student hope that he/she will gain?

Help catching up in math? Yes No

Ability to advance above grade level in math? Yes No

Other _____

The goal of this program is to provide enrichment in mathematics that complements classroom instruction.

In addition to regularly attending the weekly Friday sessions at the Club, students will be expected to work independently at least one hour a week at home, the library, or another location where computer internet access is available. Your encouragement and support will be vital to their success in the program. You will be able to access information on-line about how your child is progressing.

Please return this form to Tammy Cannedy at the Boys and Girls Club along with \$40, the specially reduced Friday morning participation fee for this program. If you'd like to have the fee waived because of your financial circumstances, please call Tammy at 539-9500.

Registration will be limited to 15 students, the maximum capacity of the Tech Center at the Club.
